

Website Privacy Policy

GreenSpace Counseling, LLC

Website Privacy Policy

Effective Date: March 2021

Last Updated: January 2026

Information Collection

This website collects limited personal information voluntarily submitted through contact forms or email links, including name, email address, and phone number.

Visitors are advised not to submit confidential or clinical information through this website.

Use of Information

Information submitted through this website is used solely for administrative, scheduling, or response purposes.

Third-Party Services

This website may use third-party hosting or analytics services that collect limited technical data.

Security Disclaimer

Electronic transmission of information cannot be guaranteed to be secure. Users submit information at their own risk.

HIPAA Notice

This policy does not replace the HIPAA Notice of Privacy Practices provided during intake.
